Explore More Discovery Museum

IGNITE CREATIVITY! Explore More's 3rd annual FIRST LEGO League Jr. EXPO serves our region's young creators and we're looking to expand—from private event for a few teams to a public event with up to 15 teams! Children ages 6-9 ignite their creativity every year through a new and exciting Challenge presented by FIRST LEGO League Jr. Teams use basic engineering concepts to build a model made of LEGO® elements, culminating in the EXPO event.
